MY CREED.

I hold that Christian grace abounds
Where charity is seen; that when
We climb to heaven, 'tis on the rounds
Of love to men.

I hold all else, named piety,
A selfish scheme, a vain pretense;
Where center is not, can there be
Circumference?

This I moreover hold, and dare
Affirm where e're my rhyme may go,
Whatever things be sweet or fair,
Love makes them so.

Whether it be the lullabies
That charm to rest the nursling bird,
Or that sweet confidence of sighs
And blushes made without a word.

Whether the dazzling and the flush
Of softly sump uous garden bowers,
Or by some cabin door or bush
Of ragged flowers.

'Tis not the wide phylactery,
Nor stubborn fast, nor stated prayers,
That make us saints; we judge the tree
By what it bears.

And when a man can live a part
From work on theologic trust,
I know the blood about his heart
Is dry as dust. [ALICE CARY.

ENROLLMENT OF VOTERS.—The attention of the Board of Registration and the Clerks of Election in the various precincts in this county is called to the following provisions of the Registry:

During the period of ninety days next preceding any election appointed or authorized by law, the Board of Registration shall make out, and on the thirteenth day next preceding such election, or, if that day be Sunday, the day following, shall revise, complete, and deposit with the Clerk of Elections, and within three days thereafter shall post in one or more of the most public places of their district (which, if there be more than one precinct in such district, shall be most contigious to their respective precincts), an alphabetical list according to surnames, of all persons residing in such district and entitled to be enrolled at their respective precinct, who then are by citizenship, and may be on the day of such election by continuous residence, legally qualified to vote at such precinct.

Sec. 19. In districts where there is but one precinct, the Clerk of Elections shall, during the period prescribed in the last section for making out and completing the poll list, and when the Board is not in session, upon his own authority, enter upon said list, subject to the revision and correction of the Board, the names of all persons still residing in his district enrolled in the next preceding poll list made out in pursuance of this Act, and also the names of all persons found upon the Great Register of the county whom he personally knows to be, or who by the oath of any householder or legal voter of his district known to him, shall be satisfactorily proved to be bona fide residents of his district:

In districts where there are more precincts than one, the voters shall be allowed to enroll themselves at either of these precincts which they may select as most convenient to their residence, on making application personally or in writing to the Board of Registration, or to the Clerk of Elections when the board is not in session, and making satisfactory proof of residence and identity. Applications in writing shall be addressed to the proper Board of Registration or Clerk of Elections, expressing the desire of the applicants to be enrolled in order to vote at the precinct thus indicated, and shall be witnessed, and the genuineness of the signatures thereto, when not known to the said Board or Clerk, shall be attested by a subscribing witness known to them, who is a resident and legal voter of the district.

Sec. 22. The Board of Registration shall be in session on the said thirtieth day next preceding the election as aforesaid—or if that be Sunday, then on the day following—at the office of the Clerk of Elections, for the purpose of determining applications on behalf of persons claiming the right to be enrolled on the poll-list, erasing names improperly entered or improperly remaining thereon, and correcting all errors in relation thereto. They shall insert and enroll the name of every person entitled to be enrolled who may have been omitted from any cause, and shall erase the name of every person improperly placed or remaining on said list, so far as they are able to ascertain the same.

The election will be held on the 4th day September. It is therefore, necessary that every voter should see to it that his name is enrolled upon the poll-list on or before the 4th day of August next.

A NEW member arose to make his first speech, and in his embarrassment, began to scratch his head. "Well, really," exclaimed Sheridan, "he has got something in his head after all."

HAPPINESS.—An able writer gives utterance to this valuable secret:

"This looking forward to enjoyment don't pay. For what I know of it, I would as soon chase butterflies for a living, or bottle moonshine for a cloudy night. The only way to be happy is to take the drops of happiness as God gives them to us every day of our lives. The boy must learn to be happy, while he is learning his trade; the merchant while he is making his fortune. If he fails to learn this art, he will be sure to miss his enjoyment when he gains what he has sighed for."

A CORRESPONDENT, writing from Salt Lake City, says:

"This singular town covers an area of about nine square miles—that is three miles each way. It is one of the most beautifully laid out cities in the world. The streets are very wide, with water running through nearly every one of them. Every block is surrounded with beautiful shade trees, and almost every house has its neat little orchard of apple, peach, apricot and cherry trees. In fact, the whole nine square miles is almost one continuous orchard."

WHO were the first newspaper subscribers of whom we have any account? Cain, who took A Bell's Life, and Joshua, who ordered the Sun to be stopped.

A LITTLE wrong done to another is a great injury done to ourselves. The severest punishment of an injury is the consciousness of having done it.

THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

Resolved, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

Resolved, That in reconstructing the nation its foundations should be justice and its architects loyalty, and we are willing that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equality, it is our wish that the Government be administered and the law enforced by the loyal agents of the Federal Government.

Resolved, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as allies and receive them as equals in a reconstruction Union.

Resolved, That we deem the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

Resolved, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and degrading to American labor. By forcing it into unjust and ruinous competition, and an evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

Resolved, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced as shall exclude all persons not members of the Union party.

Resolved, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1865, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

Resolved, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

Resolved, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

Resolved, That the vital issue between the Union and Democratic parties is that of loyalty to the constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress to ward the healthy reconstruction of the Federal Union.

Resolved, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

Resolved, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

Resolved, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

The Florence was awarded the first and highest premium at the State Fair of California, the only Fair on the Pacific coast at which any two double thread Sewing Machines were exhibited in competition in 1865.

The Florence received the only premium awarded, by the Mechanic's Institute of San Francisco, in 1864 and 1865, to any Sewing Machine, Sewing Machine Co., or Agent. The claim of a competitor to a medal is without any foundation whatever.

Wherever the Florence has been brought in competition with other Sewing Machines, it has always been declared the best. It is the most simple, the most substantial, the most efficent, and its fast is easily learned. Every Machine sold is guaranteed in the full sense of the word.

OVERWISE.—It was a favorite saying of that shrewd sage, Gilbert A. Grant," that the Republican Party was rotten with talent." If it was true of the old Party of 1856, it is pre-eminently so of the putres nt patriots who met at Sacramento on the 16th, and their followers throughout the State at this moment. They are so indignant that democrats mixed in the Union Primaries, that they propose to turn the government of the State and Nation over to the Democratic Party entirely. They are so much opposed to fraud and monopolies that they are fighting with all their might to give the victory to the party that has held a monopoly of fraud for years in the country. We can understand such apostles as Haight, Maclay, Sibley and Arnold, who have gone boldly over and cast in their lot with the Copperheads, but we can only pity those who cling to the folly of doing the "dirty work of the enemy, while hanging about the Union camp. If a man has any intelligent love of principles, he will take the surest method to make it triumph. For n whim of his own conceit will he peril all he professes to hold dear. For no fancier wisdom of his own will he drive the cause and the party to certain ruin. Suppose his favorites are not on the ticket, shall he therefore, help elect men who betray their country in its hour of dire peril? If we want rebels in power let us openly espouse their cause. If we do not, let us join heart and hand with the Union hosts in the only sure way to win a whole victory.

It has been pretty generally believed for a short time back that Mr. Seffens of the Dutch Flat Hotel in this place has been doing a "sinking" business, and many and various were the surmises made in regard thereto, until about a week ago when that gentleman having made all proper arrangements commenced flourishing better than ever. The cause of this was, he had been "sinking" for water to better supply his mamouth establishment, and succeeding in striking a stream of excellent drinking water, as clear as crystal and as cold as ice. This well, being as convenient as it is,—next to the bar room—will prove a most valuable adj nct to the house. It is considered the best water in town, and as the bar contains nothing but the best liquors the house may be said to be doing now a decided "liquor" business. By the by, Charlie has found himself, and comes out to-day in the ENQUIRER and tells the people how he is prepared to accommodate those in need of eat, drink and sleep, together with a recommendation to those who are sweating in the heated cities and Vallies to bring up their families and enjoy a little pure mountain air. The best thing they can do.

CAUGHT THEM.—On Sunday night last, Mr. Taylor, one of the owners of the Moore, Harriman & Taylor claim, located near Gold Run, caught two Chinamen in the claim cleaning up the sluices. The Johns were taken to Gold Run but there being as yet no Justice of the Peace appointed to fill the vacancy occasioned by the absence of Mr. E. Aubury, they were taken back to the claim and there remonstrated with by several parties upon the immorality of working on Sunday, especially in claims that are owned by other parties. The Chinamen, though unable to speak English fluently appeared to comprehend the nature of the remarks, especially was this case with them when the lecture was peculiarly emphasized. They will probably not commit a like indiscretion soon.

THE REVISION.—The Convention which met at Sacramento on the 16th and 17th instant, placed upon the Union Ticket several names which the "Union State" Convention had not thought proper to honor with a nomination. The Revisers not only did this but recommended that the Regular Union nominees be repudiated and "their" nominations supported. Such barefaced impudence we do not remember to have seen equaled in any party or place. A few demagogues, disappointed at not securing the nomination of their favorites, arrogate to themselves the right to revise the proceedings of the accredited representatives of an entire State! A few bob-tail politicians who have failed to get their weighty claims acknowledged by the delegates of a great party set themselves up in the capacity of a judiciary department and after inviting the co-operation of the discontents for a month succeed in securing a beggarly representation from sixteen counties out of fifty and then have the audacity, in the face of their disorganizing efforts to claim the action as being for the success of the party they are putting forth all their Lilliputian exertions to break up, is a procedure unheard of. They attempted to gull the people by circulating stale slanders and advancing contemptible insinuations, and then, like the cow-boy who whistled to keep his courage up, went through with a miserable farce of holding a State Convention! But their efforts fell still-born upon the popular people, and they already see that they are getting so low that there are none who are willing to do them reverence. What a condition for the few who assayed to rule the people or ruin the party? How debased must they know themselves to be, politically? They will neither be countenanced by those they tried to injure or trusted by those whom they were endeavoring to assist. Neither Unionist or Democrat will hereafter acknowledge any affiliation with them. Surely, the was of the wicked is hard. Punishment follows close upon the heels of the transgressor!

SHOOTING AFFRAY.—On Monday evening last we heard of a shooting affair which came off at Farley's Ranch, about seven miles above this place, the circumstances of which, as near as we could learn are about as follows: Farley, and Trobridge, the man who was shot, had been occupying the ranch conjointly; Farley having sold a portion of it to Trowbridge; a difficulty arose about the validity of the sale sometime back, when Trowbridge drew a revolver on Farley, since which time they have not been on good terms. On Monday, another dispute arose, the facts of which we are not advised, when Farley shot Trowbridge with a double barrel shot gun. Mr. Towle came to town for Dr. Nelson to attend the wounded man, who was not at that time dead, but was supposed to be fatally wounded. We shall endeavor in our next to furnish the particulars of this unfortunate affair. Trowbridge is a married man, but we believe has no children.

MINING ITEMS.—The follwing Meadow Lake items we take from the Sun, of the 20th:

The U. S. Grant Company have filed their articles of incor oration in the Clerks office in San Francisco. Capital Stock $320,000. We understand that the Company intend to take immediate steps for the erection of a twenty stamp mill. The late sale of one-half of this rich and extensive mine, will be the means of placing it at the head of the list of rich gold producing mines of the Pacific coast. A large well-defined ledge, well defined ledge, with rock enoug in sight to last twenty years, and not a ton of which will pay less than twenty dollars, cannot, with the assistance of a twenty stamp mill, fail to accomplish the stated ends.

The result of the late run of the California Mill, on Green Emigrant rock, was perfectly satisfactory. The yield of bullion some forty-seven tons of rock, was seventy and three-fourth ounces, or at the rate of twenty-four dollars and ninety-four cents per ton. The mill will be started immediately on ore from their own mine. The California is now assuming its former prominent place among the mines of our district.

MAIN STREET, DUTCH FLAT.

CHARLES SEFFENS, - - Proprietor.

THIS HOUSE BEING NOW FULLY completed and arranged in all its appointments presents greater inducements to transient as well as permanent customers than any other establishment of the kind in the mountains. The proprietor having been in the business for a number of years, flatters himself that he is sufficiently known as a caterer to public taste to warrant their support.

LARGE AIRY ROOMS,

with clean bed linen well ventilated are requsites that should not be dispensed with but which are ALWAYS found at this house,

THE TABLE

will always be found supplied with the latest delicacies of the season, and polite and willing waiters always in attendance. In connection with the house is a BAR ROOM, always supplied with the best

WINES,
LIQUORS
and CIGARS,

to be had in the market. An experienced barkeeper constantly at hand to wait upon customers.

SUMMER RETREAT!

To families and all strangers in the mountains the proprietor would say that Dutch Flat presents all the inducements of a Summer Retreat, being located on the line of the Pacific Railroad at a convenient and pleasant distance from the city, is easy of access to those whose means are limited and require fresh air kind treatment and good living. All the proprietor asks is an opportunity to prove the correctness of the above assertions.

LIVERY STABLE.

Connected with the hotel is a first-class Livery Stable, where

Carriages and Horses

can be had for all parts of the country. Parties supplied with carriages with or without drivers.

Carriages from this hotel will be found at the depot on the arrival of every train. jy24.

THE EFFECT.—Let this State go into the hands of the friends of treason, and what will the radical Congress think of us, and what will they do for us? If we condemn and abondon them, can they do less by us? If we desert the Union ranks in the heat of the battle, what fate shall we justly merit? No State in the Union has fared so well as California during the war. No draft, no large amount paid in bounties, immense amounts of money sent here to build forts, and public buildings, and railroads, to establish steam lines to the Sandwich Islands, Japan and China. If we desert, what will we deserve?

NOTICE.

To all whom it may concern: where- as, in the month of June, 1866, a certificate of pre-emption for the south-east quarter of the north-east quarter of Section 8; east half of the south-east quarter of Section 8, and the north-west quarter of the south-west quarter of Section 9, Township 15, north, range 10 east, Mount Diablo base and meridian, containing one hundred and sixty acres of land, was issued to me by the Register of the U. S. Land Office at Marysville, California, the district within which said land is situated. And whereas, subsequently, viz: in October, 1866, affidavits were filed in the said Land Office, declaring said land to be more valuable for mineral or mining purposes than for agriculture; Now, therefore, this is to notify all whom it may concern that I will, on

23rd day of July, A. D., 1867,

or as soon thereafter as the same may be heard before the Register or Receiver of said Land Office, adduce evidence to prove that the said land is more valuable for agricultural than for mineral or mining purposes, and upon such proof being made, apply for permission to prove up my pre-emption claim to and purchase said land. Perry Davis' Vegetable Pain Killer, after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its efficacy is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

SEMI-WEEKLY ENQUIRER.

A potifical party depends for success upon nothing more surely than upon its Unity. Without unity in act and purpose there can be no strength, and where strength is wanting, division most generally presages defeat to even good measures, when they are pitted against evil ones well marshalled and vigorously promulgated. To this self-evident proposition is to be attributed the proverbial devotion of party men to the acts of their party, when expressed in the manner made legal by party usage; they make merely personal likes and dislikes and private views and minor questions subservient to the success of the greater one upon which party is based, and to the triumph of those who are, for the time, the chosen representatives of such principles, in contradistinction to their opponents. Hence, disloyalty to Party is treason to Principle, and he who would sacrifice a great principle in National polity to gratify unworthy pique or prejudice, which can have, at best, but a local and temporary import, cannot be morally sound—certainly his patriotism must be shallow and his selfishness great. A mere change in political opinion—an abandonment of party—does not more necessarily prove political dishonesty, than would a change in religious belief prove religious turpitude. Both may be instigated by conscientious motives. But a man who, in the hour of trial, would forsake either a party or religion from other than a high-minded belief that a sense of duty to the cause of Right required him so to do, is unreliable and unworthy. Parties, like all else sublunary, may perform the tasks for which they were given birth, and then cease to exist. All history proves this, and none more so than that of our own comparatively young nation. But it behooves the reflecting to well consider whether, at this time, the great distinctions that not long ago separated the two great parties of the Nation and State have become so obliterated that their lines can hardly be seen. Or, in other words, has that great organization, composed of men who became banded to prevent national disruption and destruction yet fully performed all its missions? Has it yet nothing to fear from the enemy that it so often vanquished and which or six years it has kept at arms length from power? Are the issues of the war at rest? Is the nation reconstructed? Is the war so really ended as to justify Union men in now quietly surrendering their well-worn power into the hands of the allies of those who made that war a necessity? These are the questions of the hour here in this city and State, as in the nation at large; and upon the r proper consideration, and the action which they shall inspire will depend the result of the coming election.—Exchange.

NEWTON BOOTH'S SPEECH.—At the Union Mass Meeting in Sacramento on Saturday night last, the Hon. Newton Booth of that city made a speech which is reported in the Sacramento *Union* as follows:

Newton Booth, of Sacramento, was introduced by the President. He said he was not there to make a speech, but at some early day he would do so on the issues before the people. He, however, defined his position as regards the State ticket and pledged himself to use all the influence he might possess to secure the election of Geo. C. Gorham. As to a third party, which he said had been spoken of, his experience was that all intermediate parties, after the issue is made, invariably result in the advancement of the opposition. So, said he it will be in this case. The third party will be to the advantage of the Democratic party. He said there had been many things said of Geo. C. Gorham but no one suspected or attacked his loyalty—none ever were more devoted to the shrine of his country than he! he has a heart that beats warm in the cause of liberty and loyalty. George C. Gorham was one of those energetic, positive men who would strike when the iron was hot, or strike to make it so. His opponent, Henry H. Haight, how does his record stand? It shows that he was false to freedom. He turned his back upon the cause he should have saved. The enemies of the country, he said, propose to take the ballot from four million millions of our fellow-countrymen in the South. Can we he asked, afford to do this? They fought with us, and shall we deny their rights? Do it, and the time will come when Jeff Davis will be President and Lee called to the command of our armies. [Voice—'no, never!'] The Union party of California is now like General Grant was at the Wilderness, and for one, the speaker declared he intended to cut his way through.

Booth is one of the ablest and strongest men of Sacramento or any other county. He is a "long hair" at that.

"The Superintendent of the Gold Run mine, Mr. D. Ross, informs us that they have struck a very rich body of ore in their mine, at a distance of about two hundred and thirty feet from the mouth of the tunnel, and at a depth of about ninety feet below the surface. The major portion of the ore in the body just reached is completely desulphurized, and is exceedingly rich. The ledge at this point seems to widen very rapidly, and is quite soft; two men being able to drive the drift ahead nearly four feet in a shift of eight hours. They will drive the tunnel ahead as fast as possible in order to discover the extent of the deposit. If there should be as large an amount of the present class of ore as appearances indicate, we are of the opinion that it will be a sufficient guarantee for the erection of a good mill on their mine. Should the rock continue as soft as now two weeks work would disclose a vast body of ore.—Meadow Lake Sun.

REDINGTON & CO.S
ESSENCE OF JAMAICA GINGER.
THIS valuable preparation, containing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.
As a tonic it will be found invaluable to persons recovering from debility whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.
It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.
It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

THIS CELEBRATED INSTITUTE has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venereal Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

In all cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

In syphilis and its adjuncts; Gonnorrhœa and its accompanying diseases; and all diseases of the Bladder, Kidneys, and prostrate; Seminal Weakness Diseases of the Heart and Lungs; Dyspepsia; Indigestion, Impotency; Incipient consumption, and all diseases of the urinary organs, in either sex, cure always warranted, NO PAY REQUIRED, at the

Seminal Weakness or Spermatorrhœa

This young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion an unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptoms of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal ejaculations, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safe guard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that the one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to such and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore females can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly occurring testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

MEDICAL.

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients, for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ—ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœa, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

San Francisco, June 16, 1864.

Subscribed and sworn to before me, this 21st day of June, A. D. 1864.

[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa" or Seminal Weakness, the result of self-Abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptoms as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 16th day of January, A. D. 1864.

[L. S.] A. G. RANDALL, Notary Public.

To Females.

When a female is in trouble or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of vision, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation.

To Correspondents.

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of same, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be duly and candidly described, personal communication will be superseded, as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner as to convey no suspect of the letter or parcel so transmitted. ☞ Consultation at the office Free. Permanent cure guaranteed or no pay. Address,

W. K. DOHERTY, M. D.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertains to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—News

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco, Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently indispose all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to Dr. PERRAULT, either in person or by letter as he will guarantee A cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhœa, Gleet, Strictures, Buboe Ulcers, Cutaneous eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the guidance of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for Dr. Bier's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

MEDICAL.

DR. CHAS. H. TOZER'S PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,

SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty years standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Heated and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr. TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula.

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician: Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females.

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor.

My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Mail or Express.

To Correspondents.

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to insure a cure without the necessity of a personal interview.

All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE.

Cures in all cases guaranteed.

Office hours from 9 A. M., to 9 P. M.

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

Dr. Chas. H. Tozer:—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.
